Remembering The Past

WALTHAM
VOCATIONAL
HIGH SCHOOL

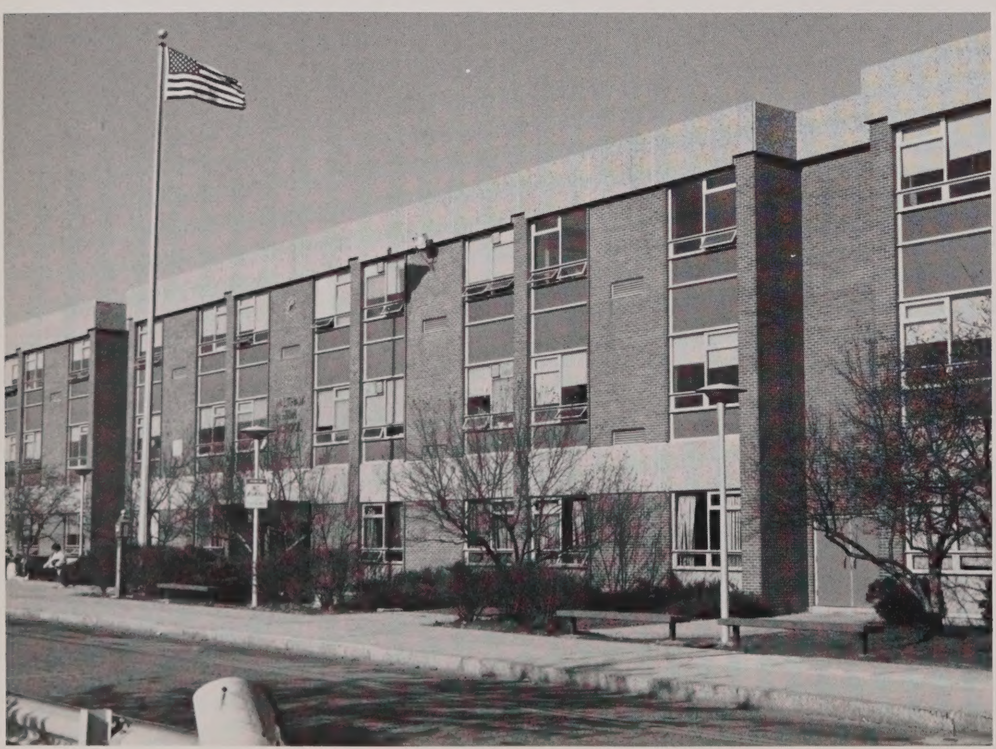
As the Waltham High School graduates of 1991, we can be confident that everything we have learned and done and everyone for whom we have cared have not only painted a clear picture of the past but will also create a bright vision of the future. One look at what this year's seniors have accomplished confirms our suspicion: the Class of 1991 was truly extraordinary.

Ours was the year in which we banded together to fight drug abuse in the Youths Opposed to Using Organization, the year in which we formed the Environmental Club and began schoolwide recycling, the year in which we on the Academic Decathlon team proved that Waltham High does have its share of dedicated scholars—the year in which we lifted school spirit to triumphant heights, beyond the expectation of teachers and students alike. Determined to leave a legacy of hope and pride, we have sown the seeds to a crop of diversely unique and talented individuals whose ultimate season to blossom has yet to come.

Thus, this volume is more than ink on paper. It is the one tangible element onto which we can hold long after our schooldays have ended. Every member of the Class of '91 is part of this book, for it is a compilation of our experiences here at Waltham High. Although we can never return to them, we can always pull out the yearbook to bring back the glory days.

Perhaps for one brief moment, our years at Happy High will live again in our minds, forever to be treasured in our hearts. Then can we echo the words of journalist William Allen White, "I am not afraid of tomorrow, for I have seen yesterday and I love today."

By Matt Griffin and Lillian Cheng



Creating The Future

It is typical of life that time seems to pass quickly so it is not surprising that we begin to appreciate these past four years only as our term here at Waltham High ends. For most, they have meant endearing friendships, progressive maturity and tremendous learning. We survived being late for class, listening to lectures, cramming for tests. Now we must face the world by ourselves, yet we are not alone. For we--the members of the Class of 1991--stand beside each other, holding hands in a common dream of happiness, united by the memories of our shared past. Rejoice with us. Wish us well. See the faces full of hope and uncertainty that gaze out of following pages. Behold us in confidence, for the future is truly ours to create.

Lori Anne Arsenault

October 8, 1973 - December 29, 1988

A child was born . . .

A Child was born not long ago and it's purpose here; who would know until the day she's all grown up to eat alone and drink from a cup.

This child came into the world not as a baby but as a girl; a girl named Lori, Lori Anne, who belonged to a very special clan.

She grew up strong. She grew up bright and always gave all her might, but one day she lost all her power and God claimed this to be her hour.

We know that Lori lost the war to someone who wants her ever more, but I am glad we knew her before her time, because it gave us memories to keep inside.

Lori was a gift to us. She held for us our love and trust. Hold this with you and forever keep for now Lori rest in her sleep.

"Lori, We love and miss you very much"

Christine Bolio - August 27, 1990

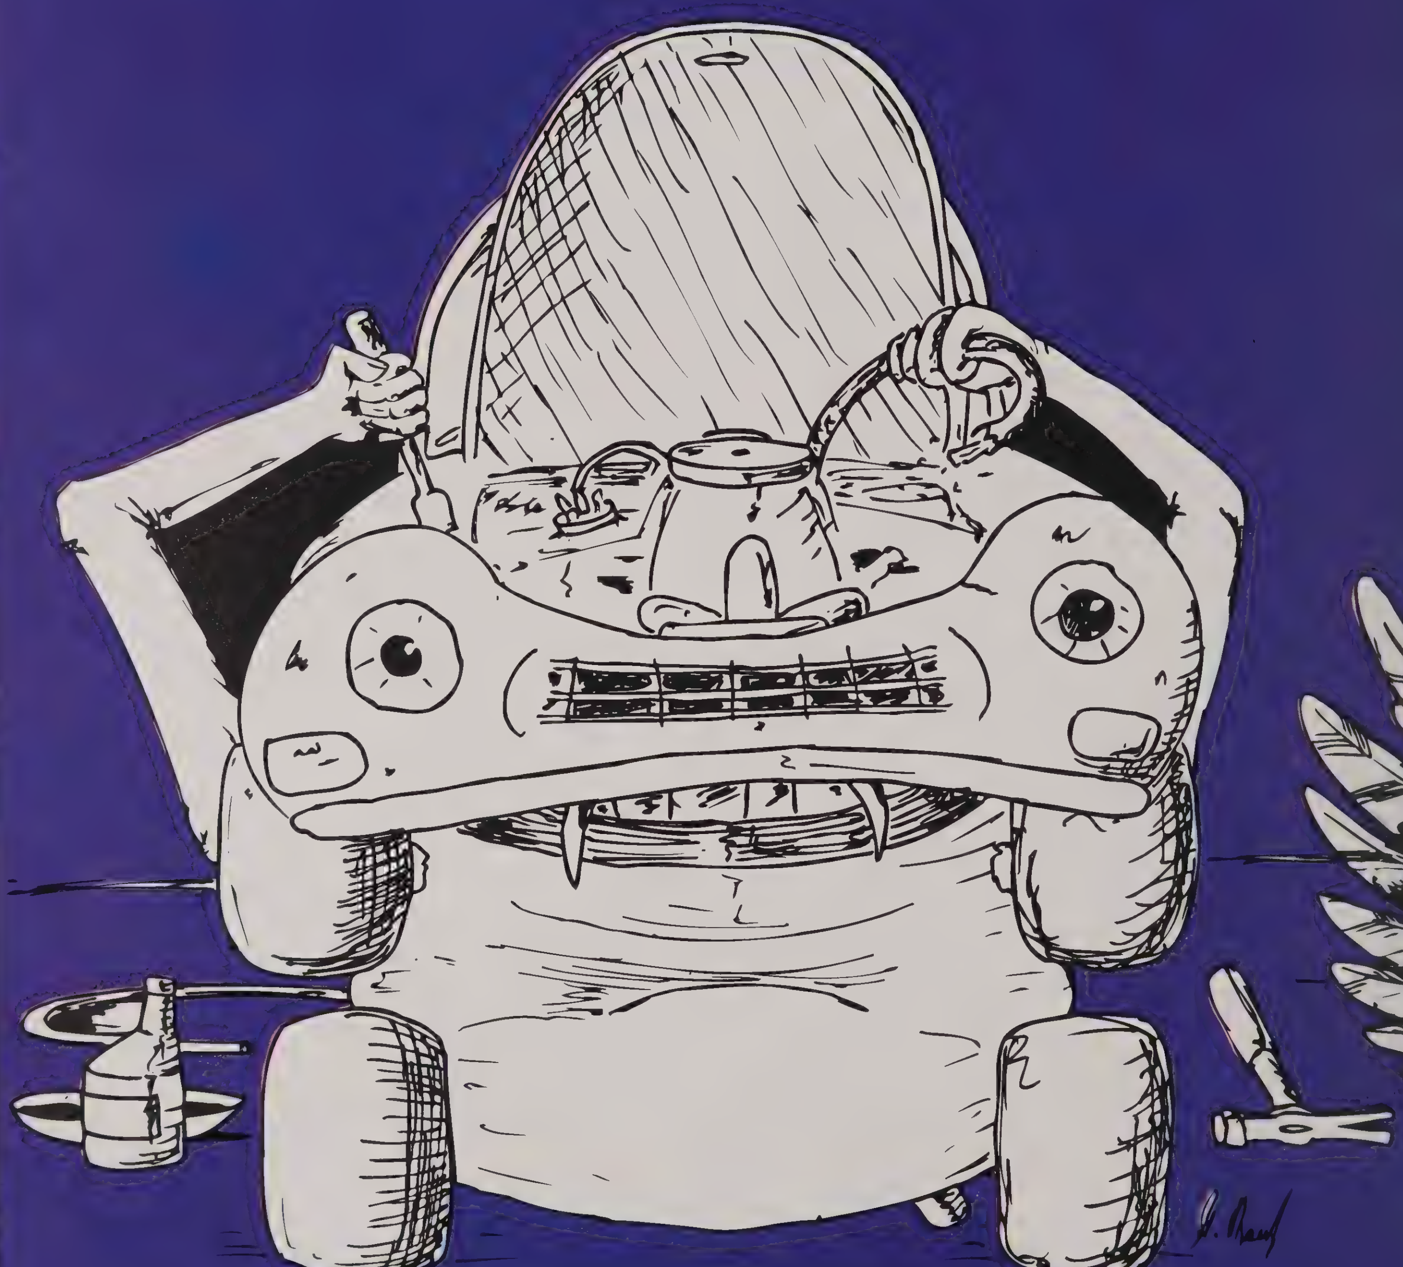
June 30, 1973 - December 5, 1988

May the road rise up to meet you
May the wind be always at your back
May the sun shine warm upon your face
And rains fall soft upon your fields
And until we meet again
May God hold you in the hollow of His hand

Remembering The Past; Creating The Future



Handcrafting Our Success

Over the four years we have spent at the Vocational, we have mastered many things. Not only knowledge of our trade, whether it be Auto Body, Auto Mechanics, Carpentry, HVAC, Metal Fabrication Electrical, Graphic Arts, and Machine Technology, we acquired important values of life. We were taught to have pride, in our work and in ourselves. We learned to have patience and accept our own faults as well as our differences with others. Loyalty to our friends, and colleagues, has been instilled in us by our teachers. Most importantly, we learned the value of service; to others, to our community, and to our country. With this valuable knowledge, we are confident we will be instrumental in creating the future.

Faculty

It seems so long ago that the students in the Class of 1991 were entering Waltham High as freshmen, afraid of the many new faces, classes, teachers, and the new bigger environment. Yet after surviving four years at "Happy High" its our turn to say "Thanks!"

Thank you to all the teachers who were there for us by giving us your time, knowledge, patience and support. Through the endless struggles you were always there to lend a hand or an idea, and pull us through.

Through your efforts it is now possible for us as graduates to appreciate all of the work you have done for us. . With the knowledge you have given us, it is now our turn to use it, and enter the "real world" with confidence.

We will always be guided by what we have learned at Waltham High. Thanks to our teachers, guidance counselors, housemasters and administrators!

1991 Yearbook Dedication

Mr. Paul V. Thorp

The dedication of the yearbook of any year has always been an honor to give and an honor to receive. This year the Class of 1991 dedicates our yearbook to a very special person. He is a graduate of Wayland High School and received his Bachelor's in Science from Suffolk University. He received his Master's of Arts in Education also from Suffolk University. His post graduate work includes courses from Boston University, Worcester Polytechnic Institute, Framingham State College, Boston State College and one year sabbatical in Hawaii.

Through the years you have seen his unselfish devotion as an advisor to Student Council, as a Student Teacher Supervisor, an AP Biology teacher, a Chemistry teacher, Chairman of the Comprehensive Health Education Curriculum Writing Team, Fall Sports Trainer, and as a Housemaster.

As students his name shall always come to mind as the head coach who brought honor and fame to the Waltham community through his Academic Decathlon Team. The Decathlon Team with his guidance won the "Rookie of the Year". Award and also went on to compete in the State Finals where they placed fifth in the state. I remember him once saying "Waltham is a secret well kept." His drive and motivation has let the students know that students at Waltham get the same quality education as students in any other school system.

When it comes to Waltham High School, he forgets even his family and spends off duty hours to help achieve goals for Waltham students. His hard work has inspired us all.

The Class of 1991 is deeply honored and proud to dedicate this yearbook of the Class of Nineteen Hundred and Ninety-One to Mr. Paul V. Thorp.

Co-Editor Michele O'Connor, Co-Editor Jill Wesley, Senior Housemaster Norman MacDonald, and Co-Editor Betsy Marangoly.

1991 Yearbook Dedication

Mr. Norman MacDonald

Each teacher at Waltham High School touches our lives in different ways. The class of 1991 feels honored to dedicate this years yearbook to someone who has done everything in his power to make our senior year the best it can be. This person is our housemaster Mr. Norman MacDonald.

An alumni of the Waltham High School class of 1962, "Mr. Mac" (as he is called) went on to receive a B.S. in history from Boston College. He then continued his education and earned his masters in education in 1979 from Boston State College. In 1959 Mr. MacDonald was awarded with a Harvard Certificate for special studies in Administration and Management. Mr. MacDonald started his teaching career in 1972 at Waltham High School, he was named housemaster in 1979 and remains our housemaster today. This is our way of saying thank you Mr. MacDonald for everything that you have done because you are very much appreciated by the class of 1991.

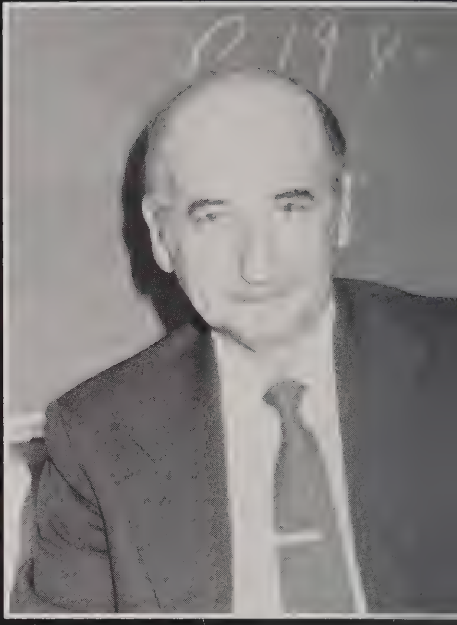
1991 Faculty Appreciations

Retirements



June of 1991 marked the retirement of Housemaster Thomas Neylon. Mr. Neylon had served the students of Waltham for thirty four years. He joined the staff of Waltham High in 1957 as a social studies teacher, a position he maintained for fourteen years. For the next twenty years he served as housemaster, having been elected to that position in 1971 by the Waltham School Committee.

During his years as a history teacher, Mr. Neylon was the faculty advisor to the mirror from 1958-1971. For many years he also taught driver education after school.

Mr. Neylon met his wife Mary, an English Department member at the High School. They have been married for 32 years and have five children.

This Lowell Native holds undergraduate and graduate degrees from Catholic University of America, Washington D.C., and a Masters Degree from Boston College. He did further graduate work at Boston College and The University of Lowell.

Mr. Neylon also served his profession in a variety of capacities, most notably as president of the W.E.A. and as an active and involved member of the Mass. Teachers association.

Many graduating classes benefited from Mr. Neylon's dedication and guidance. He will be greatly missed by students and col-leagues alike. We wish this dedicated educator much happiness in his well-deserved retirement.

Ms. Charlotte M. Smith, of the Special Education Department, began her thirty five years with the Waltham School Department in 1955 teaching remedial reading and special education at the Warren School. In 1957 she moved to the Fitch School where she taught reading until 1966. Ms. Smith's first love was teaching children with severe special needs and in 1966 she became one of the school department's first full-time special needs teachers at the Robbins School. There she worked with extremely limited students, demonstrating great patience and caring for both the children and her co-workers. She moved to what was then Central Junior High School in 1973 where she continued to work with severe special needs students, who by this time were served by the state's special education law, chapter 766. In 1976, Ms. Smith transferred to Waltham High School where she remained until September 1990. In her characteristically unselfish way, she agreed to take a temporary assignment in a Resource Room at the MacArthur School for the few months before she retired because she believed this was in the best interest of all the students involved. Thus her career came full circle, back to the elementary aged children she began serving when she first began teaching.

Ms. Smith is a 1950 graduate of St. Mary's High school in Waltham. She is still an active member in St. Mary's Parish. In 1954 she received her Bachelor's Degree in English and Education from Emmanuel College and in 1955 she received a Master's Degree in Education from Boston College. Ms. Smith retired after 35 years of service to the School Department on December 31, 1990. She was honored at a retirement reception given by the Special Education Department on January 17, 1991.

In September 1976, Mr. Anthony Paln
joined the Special Education Departm
Waltham High School. Prior to that h
worked for twenty years with emotional
turbed children at the Gaebler School a
ropolitan State Hospital. At Waltham
School, "Mr. P", as his students fondly
him, taught a variety of subjects to stu

Room. His patience and understanding
his students much more than just "book
ing". Many students often came to hin
their problems and confusions of adoles
"Mr. P" always took the time to listen an

admiration of both students and staff.

Mr. Palmerino is a 1947 graduate of Wak
High School. He received a Bachelor o
degree in Psychology and Education
Northeastern University in 1955. In 1
graduated from Boston College Law S
with a J.D. degree. Although he chose to

In June 1991, after fifteen years at Wa
High School, Mr. Palmerino retired. He,

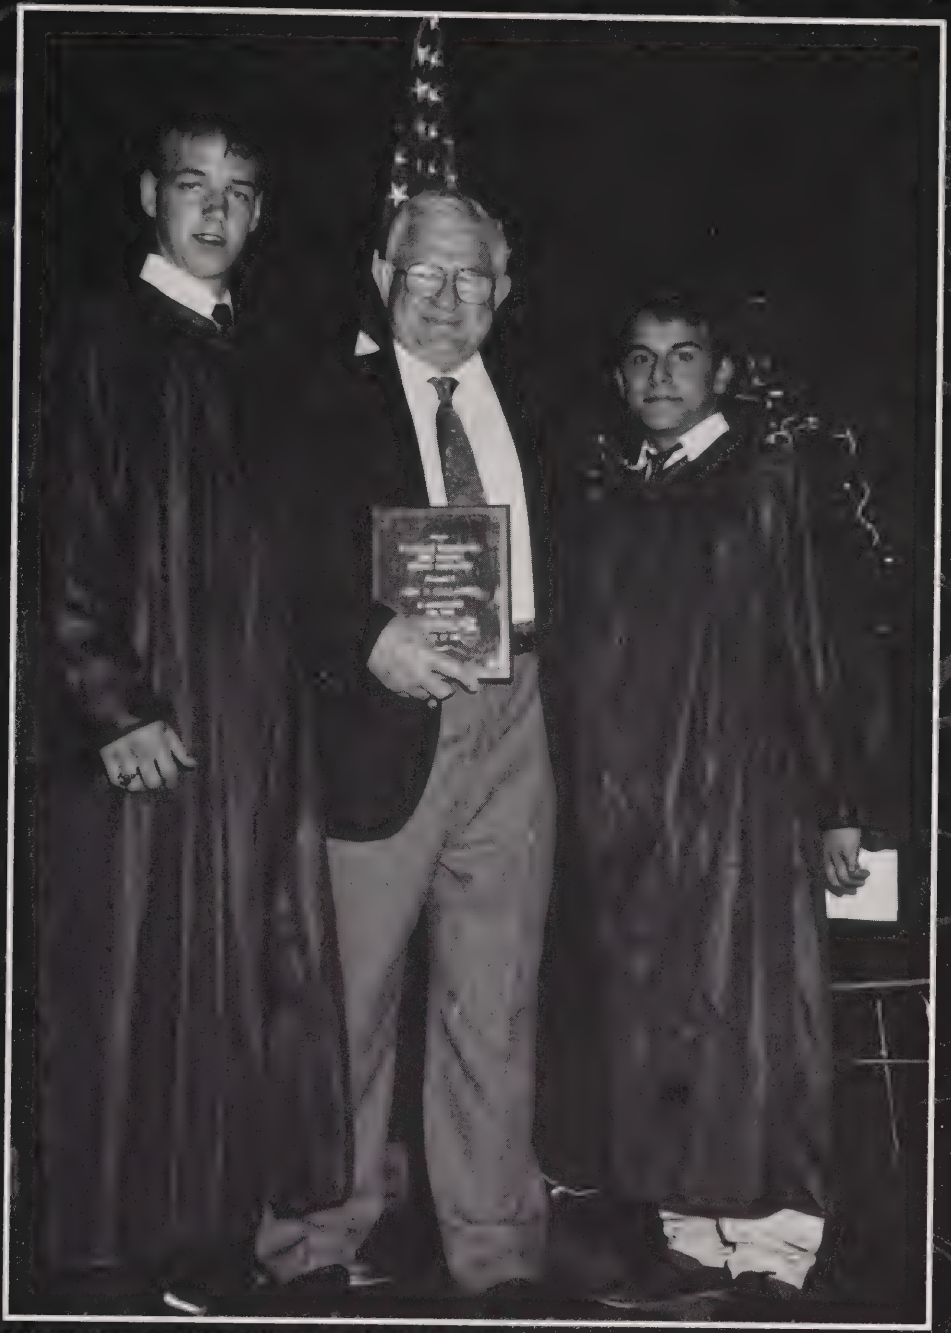
Mr. John Morrell

It is with great honor and pride that we at Waltham Vocational High School dedicate a portion of the 1991 "Mirror" to John Morrell.

Mr. John Morrell graduated from Melrose High School Class of 1944. He served in the U.S. Coast Guard from 1942 to 1946. He received his bachelor of science degree from Boston State College.

Mr. Morrell joined the staff of Waltham Vocational in 1969 and Mr. Morrell's knowledge of Auto Mechanics soon endeared him to the student body. He answered our questions, solved our mechanical problems and worked beside us in the shop. Before long his business aptitude enabled him to take over the position as co-op placement advisor. In this capacity he helped us find employment, encouraged us to further our education, and most of all to be proud of our skills.

We wish Mr. Morrell on the occasion of his retirement many years of good health, warm wishes, and continued friendship.



Michael Fogg, Mr. John Gallagher, and Salve Leonelli.

1991 Vocational Yearbook Dedication

Mr. John Gallagher

It is a pleasure to dedicate a portion of the Waltham Vocational High School yearbook to Mr. John Gallagher. A gentleman who has always been a role model through his gentle spirit and quiet manner.

Mr. Gallagher was raised and educated in Waltham after graduating from Waltham Senior High School in 1947. He entered the United States Army where he served until 1952. Over the past thirty years Mr. Gallagher has been an integral part of the Vocational High School. Arriving very early to raise the flag, warm the building, open doors, but most important to greet us with a friendly smile. He always knew what to say, a simple hello or a word of encouragement. The Class of 1991 does not wish to say good bye but we salute you- and wish you many enjoyable years of retirement.

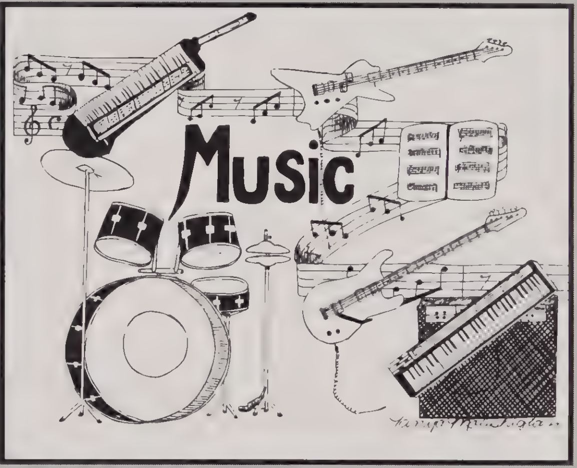
The Arts

During our four years at Waltham High, many students became involved with the Arts. For those who played musical instruments there was the Wind Ensemble, the Orchestra, Marching Band and the Jazz Band. Those with vocal ability found their home in Jazz Choir or Show Choir, which also involved dancing. Drama enthusiasts had the opportunity to participate in plays, as well as Senior Review and the infamous Gong Show. Also, students with an artistic flair had a wide selection of Art classes to choose from.



Activities such as these gave students a chance to express themselves in a way they enjoyed, and to be with other classmates that shared a common interest. In the midst of a hectic school-day, where everything was black and white, yes or no, answer at the back of the book, it gave us a chance to unwind, to experiment, to find more than one right answer. In a day filled with undesirable required courses, Arts classes gave students something to look forward to, to talk about, to enjoy.

Of those students who were a part of the band, the orchestra, either of the choirs, or any dramatic production, most would say their experience was very valuable. Students in those activities were part of a team, and had the chance to work with other kids toward a common goal. Each person did something different, but when they all came together they formed a unit, and everybody's seperate parts assembled neatly into a production. Much like a puzzle, each person's individual part was disjointed and meaningless by itself, but when pieced together with the parts of others, it formed a clear and defined picture.

The Arts gave students a chance to do things they enjoyed, or in some cases, to find out what they enjoyed. These students could seek shelter from the demanding school day by involving themselves in an activity, and learned more about the activity and also about themselves by doing so. Lastly, the Arts gave students the chance to be part of a production, to work with others. Twenty years from now it's these activities that will remain ingrained in the memories of those who participated.

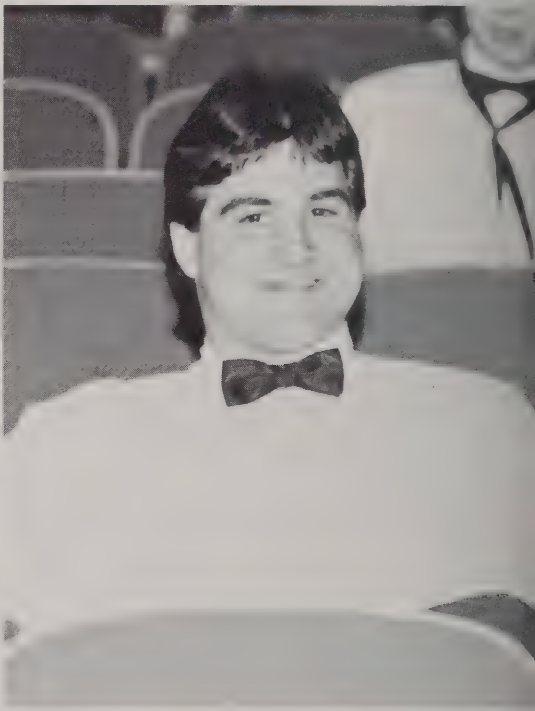
Football fans will never forget the music the W.H.S. marching band provided at all home and away games in the stands and during halftime on the field. Under the soulful direction of Drum Major Tom Santolucito, the marching band became a mean scream machine performing not only rousing marches but swing jazz as well. As the band jammed, color guard Captain Cathy Tirone lead the color guard in synchronized flag patterns. Senior members Tom Santolucito, Cathy Tirone, Don Rininger, Nathan Blackwelder, Joe Mele, Peter Lindgren, and Brenda Hayes will be truly missed by the band staff as they have provided the musical and inspirational backbone of the marching band for the last four years.

Wind Ensemble



Wind Ensemble has been known to perform classical music in the past, but this past year our senior members have branched off to explore the world of jazz, blues, and popular music as demonstrated during the Dixieland feature at Senior Revue. Also derived from the wind ensemble has been Waltham High's latest performing sensation: The Thundercanes. The Thundercanes took the school by storm, performing at many school and community functions. The wind ensemble is truly proud of its graduating seniors. All are excellent musicians and will be missed in the future. The senior members include: Tracy D'Eon Peter Lindgren, Artie Cormier, Don Rininger, Nathan Blackwelder, Tom Santolucito, Eric Leboff, and Joe Mele.

The class of '91 was filled with talent in jazz performing. Many seniors utilized their jazz and improvisation skills by fusing those skills with Coch style, and therefore creating the Thundercanes. Two members of the Thundercanes have unique playing styles rooted in jazz.

Nathan Blackwelder and Tom Santolucito were featured performers with the jazz ensemble. In 1991 this "hip" duo of saxophonists helped bring the jazz band back to be recognized as one of the finest groups in the area. The two have given great effort and time to the group and will be greatly missed in the future.

Chorus

"Hey, the show is about to begin!" Music Express.

WHS Chorus.

Led by Mrs. McIvor, the Waltham High School Chorus performed many times a year. At the annual Christmas Show the Chorus performed old time favorites such as "Hark the Herald Angels Sing, Must Be Santa, Joy to the World," and the favorites such as "From a Distance." The show was enjoyed by city officials and Waltham High School students.

WHS Show Choir

Waltham High School's Show Choir, "Music Unlimited," had an exciting year in 1991. We began the year learning our competition package which included such numbers as, "Lullabye of Broadway," which featured soloist Mary Cunningham and Tim Quinn. After devoting an extreme amount of time to grueling rehearsals, Music Unlimited travelled to Winsor Locks, Connecticut for the Nutmeg Show Choir Festival. Music Unlimited collected a Gold Medal for best choreography and best vocal.

Annualy Music Unlimited conducts a show which feature soloists and comedy acts. This show is one of the biggest fund raisers for Music Unlimited. The money raised goes towards things like the groups upcoming trip to Orlando, Florida. This show "Fliverosity," featured talented soloists such as senior Meredith McElroy singing "Part of Your World," and senior Tyler Smith as Homey the Clown in one of the humorous skits. With such talent shining on the stage the show was a great success.

The next stop for Music Unlimited was Orlando, Florida for the world renowned show stoppers competition. Music Unlimited was one of the ten show choirs honored at the competition held at Epcot Center. Although Music Unlimited did not make the finals, fun was had by all. Seniors Amy Beaumont and Ken Freda Jr. contributed much to the show. After all the excitement of performing in Epcot and entertaining hundreds of people Music Unlimited realized that they did the best they could and most importantly had fun doing it. -JUST DO IT.

Sports

This year, the Waltham High School sports teams soared like hawks, as always. All of the teams worked extremely hard to reach their goals, score their winning touchdown or their winning run. Many teams were graced with ability and skill, which was shown by competing in the state tournaments.

All of the participants in our school sports were dedicated athletes and they were cheered along by the loyal fans from Waltham High . These years enabled many friendships to be made, along with lasting memories. Thanks to our great coaching staff we were all able to have a great time, one that will never be forgotten.

The girls swim team had an exciting and memorable year. Everyone worked very hard and kept their spirits high. We were a very close team this year and I think that's why we had an excellent season.

Outstanding efforts were made by the four senior captains. Kathy Bryant was our number one sprinter in the 100 yd. and 50 yd. freestyle winning almost every race. Christine Sumner was the fastest butterflier and also completed the 200 yd. individual medley. Kerry Blakely had an impressive season competing in the 200 and 500 yd. freestyle. Another exceptional swimmer, Kathy Dunne, also competed in the 200 and 500 yd. distance freestyle. Our main distance freestyler, Christine Priez always finished on top, in spite of a painful knee injury.

Our senior diver, Carrie Chaisson upheld her reputation by placing first in almost every meet. The seniors hard work this year really paid off.

Brockton was by far the swim team's best meet and for the first time in 18 years Waltham defeated Brockton with a score of 94 to 92. It was a well deserved victory and a feeling the team will never forget.

Our dual meet record was 4-8. We then went on to win the Independent League Championship Meet which qualified many swimmers for the North Sectional Meet. We placed 24th.

"The Ties That Bound Them"

Although the boy's soccer team had a rough year, we realized that we had only missed the tournament by two points. Lead by Coach John Simione and tri-captains Jason Cormier, Joe Cucchi, and Ryan Brophy, the team did have some bright spots.

Ryan Brophy who was a major asset to the team, was elected to the Greater Boston League All-Star Team and the News Tribune All-Star Team. Another major force was Jason Cormier who was also a G.B.L. All-Star. These two captains may have lead the defense, but captain Joe Cucchi lead the offense with his speed and agility.

Mark Delva and Dave Chevalier both had an impressive year scoring four goals each.

A player who stood out was our goalie Tyler Smith. This was Tyler's first year playing goal at the varsity level. He had a total of seven shutouts and an incredible 1.26 goals against average.

One last impact player was Jeff Fergus. This was Jeff's first year playing soccer. Jeff worked hard and earned himself a starting defensive position. He became one of our most consistent players of the season.

Other seniors who made outstanding efforts were Mark Sarao, Troy Brennan, Paul Cacciatore, and Jeff Scafidi.

"Reaching For The Stars"

We had a good season this year. Our squad was made up mostly of underclassmen lead by senior co-captains Shannon Russell and Erin Egleston and Seniors Carrie Chiasson and Amy Beaumont. The Soccer Cheerleaders were there to support the Boy's Soccer Team through the good and not-so-good games. We had a lot of fun this year. We wish next year's cheerleading squad good luck as well as the boy's soccer team.

Together We Were . . .

A - KICK A-HEAD OF THE REST

The Girls Varsity Soccer Team had a great season, as well as a lot of fun. Their hard work earned them a 9 - 7 - 2 record and a spot in the state tournament for the second year in a row. The success of the team was due to each girl possessing a major trait, known as P.I.C. (Pride, Intensity, Commitment).

The Lady Hawks were not just a team, they were a family. They shared lots of things, like "the pain of the route", "ghost" stories, and jokes. They traveled together, they even went to church as a team.

The teams achievements were due to the combined skills of each girl. Whether a starter or not, everyone played a part. The seniors especially played a part. Each had a role on the team, and each put all their heart into that role.

Even though the team was struck by injuries, during the season, the team came together and made up for the losses.

Stacey Delaney, a Tri-captain, injured in pre-season, made up for her lost time at the end of the season, making her presence known at a fullback position. Michele O'Connor was also on the injured list, but came back and played well in crucial games in her fullback slot. Debbie Tortola, another injured defense "woman" will be remembered for her effective play against bigger offensive players as well as nasty mosquitos.

Julie Souza, a tri-captain and All-Star, who sported a knee brace played her role as a leader in the important sweeper position.

Amy Hardiman, another tri-captain with her twin sister Allison, Both All-Stars, took control of the wing halfback positions.

"Liz will do it" Hazel ruled the center halfback position with her speed and agility.

Jen Ohnemus, earned herself recognition as "Awesomnus". Whenever she stepped onto the field she was ready to play with her feet, head, and even hands!

Jen Connors was injured early in the season. Although she didn't play much, the team looked to her for comic relief, for she could do many tricks, ie: falling off a cliff while getting a soccer ball.

The Lady Hawks, sometimes labeled "Messes" were a team rich in pride and spirit. Their coach John Kelly instilled in them the idea that hard work could be fun.

During the last few weeks of the summer, Waltham sports fans swung their attention from the baseball diamond to the gridiron. This year, the faithful Hawks had high expectations for first-year coach Dan Keohane's club, and they did not disappoint. The Hawks cruised their way to a 9-1 record, the best Waltham football record in fifteen years.

In the season opener against Lexington, senior Chip Cononi, starting in place of injured quarterback Jeff Ryan, threw a ten-yard touchdown pass to junior Matt Quinn to lead the Hawks to a tough 7-0 victory over the Minutemen. The next week against Medford, junior running back Rupert Engligh rushed for two touchdowns and over 100 yards as he led the team to a 19-6 victory over Medford. However, English would have never have starred had it not been for the solid line play of seniors Steve Devane, John Bourque, Kevin Biddy, Paul Leblanc, and Dave Annanian.

After a 27-13 victory of Revere, in which Ryan passed for 180 yards and two touchdowns, Waltham would face 3-0 Peabody in an unforgetable Friday night game. Before a crowd of 2,500, Peabody used a goal-line stand and a long fourth quarter drive to hold off the Hawks, 27-13. Peabody would go on to an undefeated season and a Superbowl victory over Tewksbury.

The Hawks bounced back the next week against Somerville, posting a 27-0 victory in soaking rain. Defense was the story of this game, with senior John Bonadio, and co-caption Leo Cotto having solid games.

The next two games, Arlington and Malden, showed the true character of the Hawks' club. After having poor showings in the first half of each game, the Hawks exploded in the second half of both contests to record 21-6, and 21-0 victories. The Hawk defense was the difference, with seniors Bill Mingace, Chuck O'Connor, and Brian Novello leading the way.

After victories over Acton-Boxboro and Cambridge, the Hawks then engaged in Thanksgiving day feast with Everett. A feast it was as the Hawks pounded their new rivals 20-0 to finish the season with six straight victories.

Many Hawks received acclamations at the end of the season. Boadio, Cotto, Novello, Biddy, Bourque, and Ryan all were named to the Tribune all-star team. Biddy and Ryan were also named Division one all-stars. At the teams banquet, many others received awards. LeBlanc, Devane, and Mingace were all cited for their play. However, Coach Keohane stressed one major point at the banquet. Although they may not have picked up awards, seniors, John Scarlett, Kevin Devoe, Rich Anderson, Bob Herbert, and Mike Gallagher all helped out tremendously with their enthusiasm and commitment.

The Waltham Football Cheerleaders had an outstanding season this year which made it the best for all the seniors. The season started in July when we all attended UCA Cheerleading Camp for four days. We worked hard that week and it paid off because we came home with the Dance Champion trophy. Then August came and it was time for double sessions. We were in the hot sun at Leary Field for five days and really became a "squad." We got a lot accomplished and we were ready for our first game. Every game we did a new cheer or a new mount. It made it more exciting. Homecoming was a success and both of our rallies too. Thanks for a wonderful year Jane and Lisa, our coaches.

Upward Swing

The Hawks ended their 1991 golf season with a 7-7 record. The young Hawk team was proud of their .500 season; considering the strong competition that they faced throughout the season. Driven by Captain Tim O'Toole and seniors, Jeff Drew, and Bryan Jutstrom, the Hawks competed against such powerhouses as Brocton, Newton North, and Brookline. Being the Greater Boston League they competed against such teams as Walpole, Malden, and Framingham North.

One highlight this year for the golf team was playing in Brookline. For the first time in Waltham High golf history they played at "The Country Club" in Brookline; this was where the 1988 U.S. Open was held. For the first time a girl played on the golf squad; freshman Kristen Savoy. Future years for the Hawk squad look hopeful with returning juniors Dan Driscoll, Corey Black, Jason Cormier, and Sam Dagastino. Returning sophomores are Tom Furey and Rick Burke. These few look to carry the Hawks to the league title next year.

To conclude, this year marked the final season of golf coaching for Mr. Connelly. He has coached the Hawks for several successful seasons. The whole golf team would like to personally thank him for all the memories and for all the fun that he brought to us. Len Sorin looks to be taking on the head spot next year to lead the hawks to victory . . . Good luck to them in the future.

"Stretchin' out before the meet!" (left) Sarah Strom.

The girls' cross-country team managed to pull through a tough season of a new coach, new opponents and shortage of runners with a 3-4 record overall.

To make up for the lack of members, Laurie Pouliot (a Greater Boston League All-Star) and Sarah Strom ran consistently strong performances, often finishing in the top two positions. They were followed by Lillian Cheng, Ann Jones and freshman Alicia Poirier.

In spite of their hard work and determination to win, the overwhelming numbers of Cambridge and Revere were too much for the underdog girls. The Hawks were also overpowered in meets against Medford, Peabody and Brockton. They had moments of glory, however, as they edged out Somerville, Arlington and Everett.

To cap off the season Coach Andy LeBlanc gave the Coach's Award to Alicia for the most improvement; Laurie was named Most Valuable Player for her constantly impressive races; Lillian received the Scholar Athlete Award for excellence both in the classroom and on the race course.

The girls are indebted to Coach Andy for keeping the girls' team alive. They are also grateful for the support and encouragement of their bus driver, Bill.

"Quick, Fast, and in a Hurry."

The Boy's Cross Country team's first season can only be termed a success. Though we were only 3-6 this season we were a team to contend with. Our coach Andy LeBlanc feels that our losing record results from the few people on the team and not the quality of the runners. Our team consisted of Seniors Mike Minassian and John Grossi as well as Sophmore Bob Griffin and many people that helped us to clear the five person minimum. Mike Minassian and Bob Griffin traded off as our highest placers. They placed 1st and 2nd in seven of our nine meets. Senior John Grossi consistently placed high in all our meets and pulled us through on many tight occasions. Both Bob Griffin and Mike Minassian missed being selected as league all-stars by finishing 11th and 12th at the league meet on November 5th at Peabody. A tenth place finish qualifies for league all-star status. John Grossi had his best race of the year finishing the 3.2 mile course in 19:59 and placing forty-sixth of the one hundred people running that day.

BUMP SET SPIKE

The 1990 Waltham Girls Volleyball team had the desire and heart to play their best. The team consisted of only one returning varsity player and the rest were brought up from last years junior varsity team. Although we struggled through some tough times we always hung in there doing our best. Coach Lorraine Bogosian would always tell us we had the potential and talent and all we had to do was work together and when we did, it showed in the scores.

Captain Stephanie Meadows was the backbone of the squad. Her desire, leadership and talent kept the team competetive in many matches. Stephanie was named MVP and was also selected a Dual County Second Team All-Star.

Kerri Trott was one of this years main guns at the net. Her athletic spiking and her ability on defense was a bright spot, and when her serving was hot she was hard to beat. When Colleen Carey cracked the starting line-up she was there to stay as was evident by her spiking. Colleen's serving came around during mid-season which made her a much improved all-around player. Tamiko Aze was considered this years defensive specialist. When the big people needed a rest Tamiko was there to provide the spark.

Rachel Barber is a "worker" from the word go. Her positive attitude kept the team together as she quarter-backed the teams offense from the setter slot. Wendy Holmes made the switch from setter on JV to spiker on the varsity squad. Her consistent hitting and serving made Wendy a very solid player. Kim Lam was moved up to varsity midway through the season. She never backed down from a challenge and provided the team with sound passing skills. Antonella Loi did her work out of the setters slot. Her hustle in recovering errant passes made her an asset to this years team. Franca Loi's serving was the key down the stretch. No matter what the pressure Franca was equal to the task.

April Martin had potential but unfortunately she encountere medical problems throughout the year which slowed her dow considerably. Other seniors which made up the JV squad we Sophia Boyer and Rachel English. Sophia's great attitude ke the JV squad together from start to finish, she gave the tea character. Even though it was Rachel's first year playing volle ball, she showed constant improvement throughout the seas and made key contributions to the team.

Despite the teams record we always had spirit. Juniors Patric Rametta, the lone varsity veteran, Christine Kazanjian, wh showed much improvement and a positive surprise to this yea varsity team, and sophomore Kristin Nigloschy will keep th spirit going next season. All the seniors wish them the best luck!

The Lady Hawks girls basketball team made history in it's 1990-91 season. Under the coaching of Mr. "the babe" Connors, who always made sure his hair looked right, the ladies made it to the state tournament for the third year in a row. The team practiced hard, and played even harder.

As a result of their intense work the Lady Hawks made an impressive entrance into the Greater Boston League. Even though the team consisted of several underclassmen, the seniors acted as examples and gave them the leadership needed to help the Hawks be a competitive team.

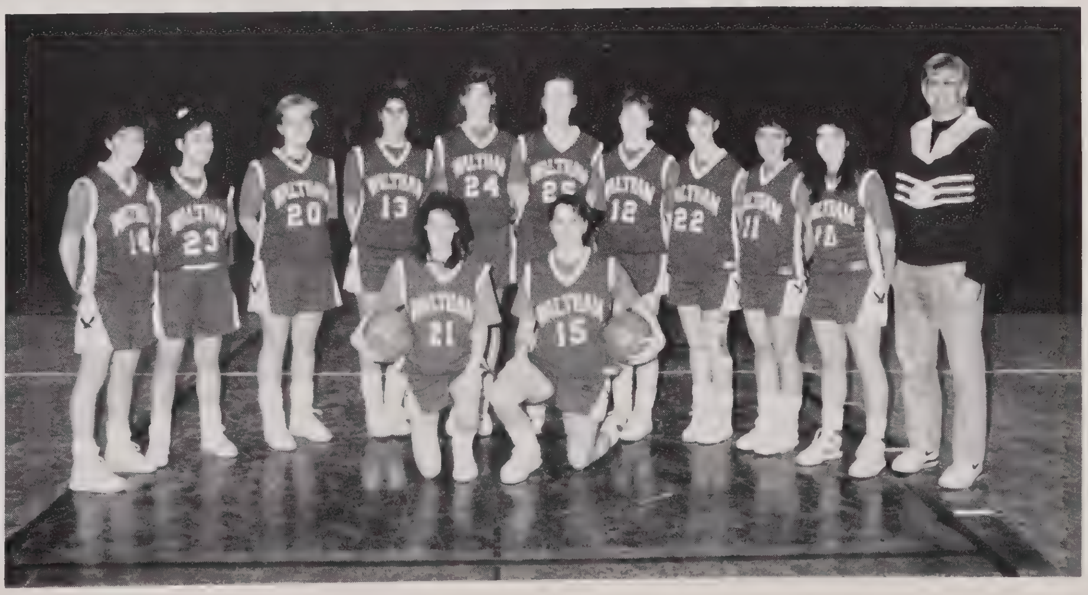
Lisa "Mushe" Mazzola set a good example for the younger team members. She gave 100% all the time on the court or from the bench. Andrea Geraci also gave 100%.

Valerie Walsh and Jill Wesley offered different types of leadership. Val led in how to psych out the opposing team by having a "Val attack" on the court. Jill proved that if you chill and get enough sleep and converse enough energy during practice water breaks you can play great during a game. Although Val, a News Trib All-Star, and Jill a GBL and New Trib All-Star split play time, they both proved themselves to be great rebounders, and boxers out.

Co-Captains Lisa Morrison and Julie Souza set good examples, and were great leaders for the team. Lisa, the team's dietician, had a rough start of the season for she got injured. But she came back at the end to show that she wasn't someone to be pushed around. Julie, a News Trib, GBI and Best of 80 All Star gave the team leadership. She led them in song on the bus, and showed them the proper hairstyle for an intense game. With her good passing skills she set our example that being a high scorer wasn't always important.

Together the seniors and underclassmen made history. They set goals, worked hard, and achieved those goals. The seniors will always remember their last game versus Burlington. In that game their intensity and pride shone through. Even though the referees didn't make the right calls the Lady Hawks remained poised.

The 1990-91 Lady Hawks was a team that possessed all the traits of winners - pride, intensity, leadership, commitment, and responsibility.



The W.H.S. Hawks were under the leadership of Coach Cacciatore. The 1990-91 Hawks were victorious in seven major games this year due to a tough new Greater Boston League. This was the first year that Waltham switched to the Greater Boston League from the Suburban League. It was a baptism of fire. Waltham's first three opening games were against three of the best teams in the state: Cambridge, Everett, and Brockton. As the season progressed Waltham began to show the hustle and determination and comeback victories did not come easily. The Hawks had to work hard for every win. Waltham had to rely on big man Mike O'Donnell for rebounding, the quickness of Co-Captian D.J. Hurley and the outside scoring touch of Co-Captain Phil Ranucci.

Junior Jeff Fuller and first year player senior John Bourque accomplished any job they were called to do. Seniors Ryan Brophy, Jason Cormier, Timmy Claffey, Mike Puglielli and Omar White all worked hard all season and certainly contributed to the squad.

It was a year of firsts for the 1990-91 Basketball Cheerleaders. Freshman were allowed on the squad for the first time and these new editions sparked a very successful season. We lost many cheerleaders early in the year so re-tryouts were necessary. Finally, we ended up with a combination of girls that equaled "victory!"

Our year started early in June when we began practices to warm-up and perfect a dance routine for UCA camp. The practices paid off with a trophy at the camp championships. Another award was received by Meghan Galvin who won best jumper. With over 400 girls at the camp, Waltham cheerleaders proved themselves as a talented squad.

We all enjoyed cheering for the boys. Whether they won or lost we were very proud of them. They showed their appreciation by helping us out with the competetion we entered in March. It was the first year that the basketball cheerleaders entered competetion and also the boys participated in cheering at WHS. Our mounts were phenominal and the experience is something that will never be forgotten.

Our coaches Jacqueline Antico and Michelle Kiersted made everything possible. They have been coaching together for over two years. Their knowledge of cheering and their close friendship gave us a base to build a successful season on.

Having a sole captain also worked well for the squad, it alleviated problems and allowed for quick decisions. We worked hard but it was worth it because in the end we each had thirteen "new sisters." Being able to talk out our problems and support each other was a key to our success. This togetherness will live in all our memories for a long time to come!

The Girl's Indoor Track team showed a lot of promise this year and a lot of skill as they entered a new league. Senior Captains Lori Shompe and Susie Pancaldo dominated in the shot and the hurdles. Lori along with Junior Jennifer Dean gave the team many points in the shot and showed the Boy's how to win with style. Susie ran the hurdles and the relay team along with Sophomore Laurie Pouliot, Junior Sarah Strom, and Junior Angelike Kefalas

The mile and two mile were the territory of Sarah Strom and Laurie Pouliot. They defeated all comers in the Greater Boston League as they did in Cross Country. Sophomore Beatrice Gauthier dominated the sprints.

Angelike Kefalas had a plethora of events to be proud of in the Hurdles, the relay and High Jump. Sophomore Ann Jones continued her winning ways in the 600 as she took on all comers and came away a winner most of the time.

Some very good runners were on this phenomenal team that did not shine out in any one way but were great all around and deserve to be recognized for their achievements. They are Junior Maureen Galvin in the sprints, Sophomore Kerri Dufromont in the sprints, Freshman Kristen Marabito the 1000, Sophomore Becky Ryan in the mile and two mile, and Sophomore Denise Obsajniks in the shot. Coaches Nicole Crepeau and Kent Hayes have much to proud of in this team and the job they did in taking a good team and making it better.

Putting Their Best Foot Forward

The Boys 1991 Indoor Track Team - Top Row- (L to R) Coach Andy LeBlanc, Tony Giamelli, Anthony DiShino, Remon Karian, Jose Jimenez, Dana Vittum, Danny Hart, Ronnie Paquette, Roody Harold, Jason Thomas, Mike St. Marie, Mike Vasquezi, Ricky Flynn, Coach Dan Koehane (Second Row)- L to R Tom Giamelli, Rudy Lallemand, Ralph Brutus, Donovan English, Tim Quinn, Steve DiProfio, Joe Dragone, Sanjay Patel, Chris Demeo, Greg Davis, Bob Griffin (Bottom Row)- L to R Ricardo Prudent, Peter Brennan, Vinny Graceffa, John Grossi, Kevin Biddy, Mike Minassian, Angel Guzman, Rupert English, and Peter Kefalas.

The Boy's Indoor Track team had a daunting task this year; entering a new league and all, the boys were able to pull through. Though finishing the season at 3-5 the boys came in third in the new Greater Boston League.

This year's Seniors turned in their best and went out with a bang. Seniors Mike Minassian and John Grossi regularly finished first and third in the two mile. Mike and John decrying all competitors; continuing as they did from the Cross Country season. Angel Guzman dominated the six hundred beating many a more muscular and taller runner to be far and away a consistent winner of his event.

Kevin "The Bidster" Biddy dominated the Shop Put in fine Waltham High tradition winning against all and only getting competition from Peabody.

Juniors Peter Kefalas and Rudy Lallemand controlled the one thousand. In the mile the story was different. Junior Greg LeBlanc continued as he had done in Cross Country. Sophomore Bob Griffin did great considering that he was coming back from an injury at the end of Cross Country.

The high Jump was Waltham Territory with the triple punch of Juniors Joe Dragone, Peter Kefalas and Sophomore Tim "Quinny" Quinn. Ralph Brutus and Ricardo Prudent need no hyping of their efforts (extremely sucessful).

Coaches Dan Keohane and Andy LeBlanc did their best to give us a great year and they did a phenomenal job in making us the best team that we could be.

Getting ready to change lines (below) The team.

Although they did not go to the Boston Garden as planned, this years Varsity hockey teams winning record was good enough to get them easily into the state tournament after their first year ever, ripping through their new Greater Boston League rivals.

Without question the highlight of the entire season would be when the Hawks devastated the Arlington Spy-Ponders 4-1 making history as the first Waltham team to beat them in 20 years.

The outstanding goaltending of two time League allstar, three year varsity member and captain Brian Bolio, along with the high scoring duo of allstars and the only four year varsity players and 91 assistant captains the eager to win Jeff Savage and the state scoring champ Wayne Duplessis provided the leadership needed for the squad to tear through anyone they played. Yet it was a team effort and this is where the senior loaded hockey team shines the most in showing their own leadership qualities needed to get the job done.

No one could do it better than the rough and rugged hustler Mike St. Cyr whose controlled fury and power drove points on the scoreboard along with bodies into the boards. Linemate Rick McKenzie, another leading scorer supplied the team with the accurate shot needed in beating the highly competative GBL goaltenders and the ever so eager team spirit to protect his own goalie.

The great quickness and ability of Brian Campana earned him a top spot on the team and provided the team with a great leader and scorer when he was not talking to Ronnie. Brian Farrell also gave the squad a great role model and leader by flashing off his progress and sportsmanship throughout the years of his varsity career including scoring five goals in one of this years Cambridge games.

The biggest surprise of the year would be ex goaltender Mike Horrigan doing the "impossible". Playing a great senior year as a forward and the key factor in many history making games including his pesty presents in the Arlington win.

Now for the defense. Lead by teamspirited Paul O'Connor and Mark Sarao, the defense granted the wall Bolio needed and the slapshots the opposing goalies did not. Under their wings underclassmen Chris Giunta, Mike Bourgeois, and Jason Cormier packed a defensive punch giving the physical part of the game of hockey a new meaning. Along with junior Shawn McShane, Joe Casella, and Sophmore Steven Richard, the 1991 Varsity Hawks proved to be a force to be wreckoned with as everyone expected out of the superb coaching of John Maguire and Mike McGovern.

From the great cheerleaders to the diehard fans and friends the Waltham High School Hockey team provided a lot of great action-filled games in their winning season along with a lot of fun off as well as on the ice.

The Hockey Cheerleading Squad had another fun year of cheering this year. There were only four new additions and they quickly made themselves an important part of the squad. The car wash, summer camp, practices, bus rides, and games have provided us with loads of happy memories. The fifteen of us became a lot like sisters this year. We had our share of arguments and rumors but all of the laughs and fun times outweighed them.

We loved cheering the hockey team on this season. It was incredible watching them invade the GBL league. There was always a hugh turn out of fans, whether the games were home or away. The excited fans made it more enjoyable for us and for the players. This year was especially fun since the team made it to the state tournament. Even though they lost in the first round verses Marblehead, they'll always be the best hockey team to cheerleaders.

Its All Downhill From Here

The WHS Ski Team had to "roll with the changes" this season. Our racing course at Prospect Hill was closed down due to bankruptcy and the life of the team was in jeopardy. Luckily we were able to find a new home at Blue Hills Ski Area in Canton. Our Coach Mr. Timothy Reed moved to the West School System and was no longer able to be reached in his Chemisty Room. Mr. Streve Grant took over as in school coach while Mr. Reed and Mr. Bob Hazel coached the racers on the slopes.

The Waltham High Ski Team had a very successful year once again. The Girl's Ski Team regained their title of League Champions. The girls held this title for the 87 and 88 seasons but lost it last year. The girls team finished with a strong record of 47 wins and 1 loss. The senior girls were the powerhouse behind this achievement. Tricaptains Jen Connors, Allison Hardiamn, Amy Hardiman, and Brenda Hayes proved to be not only the teams top skiers but also the best in the league. Each senior added to the team tremendously with their outstanding weekly finishes at Blue Hills Ski Area. Other strong racers were Suzanne Hardiman, Gretchen Lucas, Robin Sullivan, and Hillary Rooney.

The Boys Team also had an outstanding season led by sophomore racer Jerry Lane who placed #1 in the league. The boys placed second in the league only to Xaverian. They were consistently in the top three places each week and the competition was tough. Although the boys team backed the strong nucleus that the girls had, they were a winning team overall. The efforts of racers such as Jerry Lane, Captain Charlie Moncousky, Captain Troy Brennan, Gregg LeBlanc, Cory Black, Brian Keernan, Andy Mullen, and Todd Brennan brought the boys to the top of the league.

The Cross Country Duo of P.J. LeBlanc and Stacy LeLievre raced over the tracks of the Weston golf course successfully each week. P.J. and Stacy were the only Waltham members to compete and their hardwork paid off. The two cross country skiers went to the state meet and did very well.

It was a successful year for the 1990-91 Hawks as they went 11-10-1. The Hawk grapplers were led by co-captains Phil Fornier (135) and Steve Devane (171) and both captains had a great season. Phil went 18-1 with 15 pins, Steve had 15 wins 1 loss with 15 pins. The Hawks had a young team peppered with underclassmen. Fresham P.J. Cameron (103) earned strong varsity knowledge with an outstanding 10-8 record. Alan Walsh (119), Claude Chicole (125) were also contributers as well as Steve Fabinio. Rob Oliverio (140), a first year wrestler and Dave Ananian, both seniors, were a great help in an upsetting defeat by a two time undefeated Wayland team. Waltham had it's greatest accomplishment of the year losing to Wayland by 6 points in the last weight class. Phil Fournier took second in the Sectionals but was unable to continue because of Mono nucleosis. Steve Devane took second in Sectionals and second in states. Matt Quinn (189), Joe Recine (160) and P.J. Cameron all took fourth in the Sectionals and made it into the states. Waltham will only leave four seniors and a semi great team will soon be a great one.

Despite what the scoreboard said these fine young atheletes played an outstanding season with their confidence and skill improving with every game. This season was Marty Curran's second year at the helm and he has helped the players momentum improve drastically over the two years he has coached us. The future looks promising for these young stars.

The coach and the Captains (above right) Co-Captain Juli Quirk, Coach Joseph Salvo, and Co-Captain Stacey Delaney.

The Hawks 1991 Softball team had its ups and downs. An inexperienced team, of only three returning varsity players, had its share of mess ups and bobbled balls.

Co-captains Julie Quirk and Stacey Delaney added experience to the team. A four year starter and Most Valuable Player Julie Quirk used her play making ability to lead the team in the infield as shortstop. Stacey Delaney has been a member of the varsity squad for three years. Her outstanding play in the outfield over those years earned her the Golden Glove award.

Taking the mound for the hawks were Valerie Walsh and Jennifer O'Connor. Valerie was not only a force on the mound but she led the team in hitting. Her overall performance throughout the season earned her the batting title and a selection to the GBL all-star team. Jennifer helped the team to some victories.

At third base Stephanie Meadows showed consistency and strong play throughout the entire season. Lisa Mazzola did her share of work as a catcher and an outfielder. She was awarded the 110% award at the banquet. Tracey D'Eon was slowed down in the beginning of the season by injury, but came back tough to end the season strong.

Thank You coach Joseph Salvo, for your endless encouragement, support, and most of all for your patience. The best of luck to all the departing seniors, and next years team.

This years Waltham High School baseball team turned a very dismal start into an exciting tournament-qualifying finish. Despite a 1-5 start and anchored by juniors Jeff Fuller, Matt Hinckley, Matt Quinn and Greg Metallides, the team won eleven of their next fourteen games.

These victories included Coach Al Scafidi's two hundredth career win and a no hitter by Co-captain Tim O'Toole. Along with seniors Brian Farrell, Joe Cucchi, Gary DeLosa, Mike Horrigan, D.J. Hurley and Co-captains Chip Cononi and Jeff Ryan, the hawks won the first Jimmy Fund Tournament to qualify for post-season play.

The 1991 Boy's Outdoor Track team shined. They showed the Greater Boston League who was boss; beating each and everyone of the Greater Boston League teams. They only lost the league championship to old Suburban League rival Cambridge Ringe and Latin as well as losing a non-league meet with 1991 Outdoor State Champions Brockton.

Be that as it may, the Boy's did great this season. The Boy's domination in the two mile continued as Mike Minassian and John Grossi destroyed all competition. Angel Guzman won the 440 with regularity. Kevin "The Bidster" Biddy, and John Bourque dominated the Shot Put and Discus beating everyone.

The Javelin was dominated by Senior John Bonadio, Senior Angel Guzman, Junior Shawn McShane, and Junior Rupert English.

Our 4 x 110 relay team was one of our strongest points with the best of the best in Juniors Francios Joseph, Rupert English, Ralph Brutus, and Senior, Dave Chevalier.

Seniors Raphael and James Sanon dominated the jumping events and pulled Waltham out of many a tight spot with their prowess. The mile was Waltham territory with the triple punch of Junior Greg LeBlanc, Sophomore Bob Griffin, and Freshman Mike St. Marie. The high jump continued to be points in the Waltham column with the help of Juniors Peter Kefalas, Joe Dragone, and Sophomore, Tim Quinn. The 330 Intermediate Hurdles and the High Hurdles belonged to Juniors Sanjay Patel and Ricardo Prudent respectively while Sophomore Roody Harold cleaned up in both events.

The Girl's Outdoor Track team had a rather surprising season in that they only finished at a record of one win and seven losses in the league and one non-league loss to Brockton. Junior Captains Maureen Galvin and Angelike Kefalas did everything and won everything, excepting the distance but who's counting. All in all they won in the sprints, high jump, long jump, triple jump, 330 intermediate hurdles . . . Well I should continue this article because it would not be hard to write on these two.

Sophomore Laurie Pouliot continued to run the two mile except she got forced to run at the same time as the boy's and destroyed many an non-Waltham boy's ego. Senior Liz Hazel ran the mile and won and won even against Brockton. She also threw the Javelin and went all the way to the Class A State meets as the best of the Greater Boston League in these two events. Senior Jennifer Connors also threw the Javelin but not quite as well as Liz, but well enough for second place. But her star shined in the 100 sprint were she showed what speed is. While in the 330 Intermediate Hurdles and the 4 x 440 relay with the aforementioned seniors and Laurie Pouliot; Susie Pancaldo showed her stuff.

In the shorter running events Sophmores Ann Jones and Beatrice Gauthier did their duty and won their races. Coaches Nicole Crepaeu and Kent Hayes should be and are proud of their girl's performances.

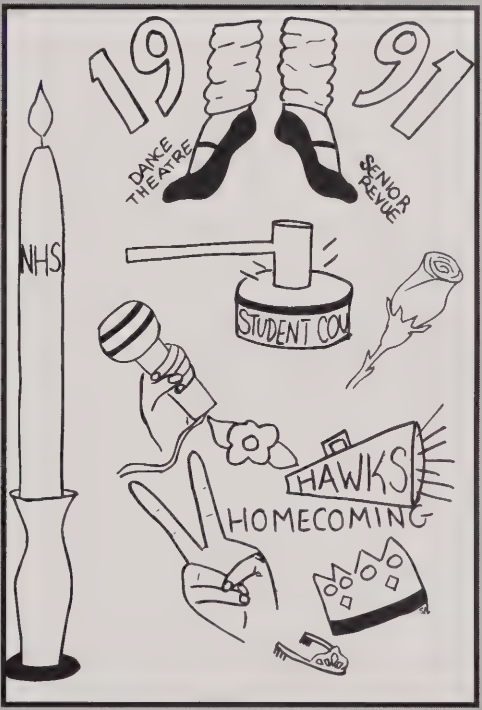
Activities

The class of 1991 is different from any other class that has graduated from WHS. We did not only stick with our annual activities like Homecoming, the Senior Social, the Senior Prom, Dance Theatre, and Senior Revue, but we improved and changed them in different and better ways. The fundraising was stressed this year due to the economic recession so instead of selling carnations, we made more money by initiating a Valentines Dance. Candy sales were at a high because of clubs, organizations, and scholarships. The Student Santa program was again the most successful program at WHS, but the second most successful program began this year and is supported by the whole community and that is Y.O.U. (Youth Opposed to Using.) The Make a Wish foundation was also a newly supported organization and made its own impact. These events could not be such a success as they are without the support of the faculty and student body at Waltham High School.



Homecoming Week

Homecoming week was one of the most fun filled, spirited and exciting weeks Waltham High School has ever seen, as well as one of the busiest. It began on Sunday morning at the High School cafe with the annual scavenger hunt run by the National Honor Society. Approximately one hundred clubs, sports teams, and groups of friends gathered together in their cars for three hours and searched for items including such things as a 1988 graduate from Waltham High, a girdle, a plunger, a cactus plant, a bicentennial quarter, Bruins playoff tickets and many more unique or obscure items. The golf team prevailed and won with the most amount of items present that were on the list. However, if other awards were to be given for most original for example, one certain group would've easily won with their representation of Simpson paraphranelia.

Elections for homecoming kings and queens began as always on Monday as did a new event brought to the school this year - Dress Up Week. Throughout the week, students and teachers participated in the fun by wearing their colorful and wacky clothes. Monday was Jean and T-shirt Day, Tuesday was Hawaiian Day, Wednesday (probably the stranges yet most popular day) was Peace/Hippie Day, Thursday everyone got out their college T-shirts and sweatshirts, and Friday Red and White were the colors worn to show school spirit during the big Homecoming Rally. For a new activity the dress up was a huge success and a very memorable week!

The excitement continued into the Annual Homecoming Rally. The band played their songs with fire and the bleachers and gym quickly filled with anxious students and teachers. The sports teams captains gave quick overviews of their seasons and the football and soccer cheerleaders cheered and performed with perfection and style. But everyone was waiting for the final results of the kings and queens. The Freshman good looks came from Anthony Dischino and Charlene LeBlanc while the sophomore came from Steve Rashad and Kerry Verrochhi. The junior king and queen were Mike Bourgeois and Susanne Hardiman and the 1991 senior homecoming winners were Rick MacKenzie and Chrissy Forbes. To add to the excitement of the rally, the Student Council hosted a best legs contest for men only! Each participant took their walk and strutted their stuff while remaining in disguise. Although such gimics as fish net tights, a garder belt and high heels gained much applause, the most came for Paul Cacciatore, with Leo Cotto as the runner up for the Best Legs of "91!"

Spirits were still high on Saturday morning when clubs such as the National Honor Society, Student Council, S.A.D.D., swim team, volleyball team, class officers and the voc all gathered for the annual homecoming parade. Vanaria Trucks contributed greatly to the parade as they donated their vehicles to the different organizations. Although all were creative in their decorations, the Voc once again prevailed as the winner of the best float with their Indian gimic and wood figures of the Voc football players. The queens were also present in the parade as well as Diana Cincotta - our own Miss Teen Massachusetts! Also, for the first year Waltham played Acton-Boxboro on homecoming day, and won the game.

Finally to end the week, the big homecoming dance was held in the cafe. This was probably the biggest and best dance of the year. The majority of each class attended to see the kings and queens dressed up again and dance with each other. Another highlight of the night was the exciting lip sync contest. Groups of girls went against groups of boys to win the $50 prize. Choices of music ranged from 50's style, to rap, to top forty, to a remix of songs. All were hillarious in their own way as friends cheered friends on. However the winners chosen by the D.J. were the "Get Busy's" in Love Shack. Close behind in second place were the Mud Rings Part I with their remix of classic songs and in third was Dean Wint and his rappin' crew. The crowd continued to dance the night away and served merely as a great end to a great week; one none of us I'm sure will ever forget!

A decathlete ready for success. Jill Wesley

With the support of all the teachers, parents and community, the United States Academic Decathlon program was started at Waltham High School. The program was led by Head Coach Mr. Paul V. Thorp and Assistant Coach Ms. Nancy Rice. With the efforts of students and teachers, by September of 1991, Waltham's first ever Academic Decathlon team was formed. The team members included, Jennifer Aucoin, Lisa Aucoin, Kristine Jensen, Nischal Chandra, Steven Weddig, Neel Pandeya, Joseph Hart, John Grossi, Nancy Joseph, Moses Liskov, Peter Lindgren, Jill Wesley, Omar White and Betsy Marangoly. In November, the team competed for the first time in the regionals and placed seventh in the state and captured the "Rookie of the Year" Award. This placement in the top sixteen in the state gave them a shot at the state finals.

Waltham hosted the State Finals of the Massachusetts Academic Decathlon in March of 1991. With the Waltham community behind them, the Waltham Academic Decathlon Team brought great pride to Waltham by placing second in the Super Quiz portion of the competition and by placing fifth overall in the State.

John Grossi captured a bronze in Science in the regional competition and a gold medal in Science in the state finals. Joe Hart received a Bronze Medal in the Social Studies and Nancy Joseph took a Gold Medal in the Speech category. Nischal Chandra recieved a Bronze Medal in Science. Both Nischal Chandra and Betsy Marangoly received the 1991 Academic Decthlon Coach's Medal.

Waltham's Decathlon Team would like to thank all the teachers, parents and the Waltham community who helped us on our road to victory. We also thank Mr. Paul Thorp and Ms. Nancy Rice for their hard and diligent work to get us to the State Finals. Without them we couldn't have achieved our glory.

For our own, we shall always remember the trivia games, the warm feeling of support, the classical music we had to learn, the stories we had to commit to memory and the math problems we had to do over and over again. Most importantly we shall always remember that we had made history from the very first time that the twelve of us had met because we were Waltham's first ever Academic Decthlon Team.

Senior Social

On Saturday December twenty-second about 120 Seniors from Waltham High School's Class of 1991 attended the second annual Senior Social. The Senior Social was held at the Robert Treat Paine Estate from 8:00p.m.-Midnight. This social was a chance for our senior class to come together and enjoy the spirit and splendor of the season. The evening was not a "couples affair" and was open exclusively to the senior class. Most of the people enjoyed the evening more than the Junior Prom.

The Paine Estate was decorated in the tinsel of the season. Wreaths with big red bows were displayed in every window, while tulip flower arrangements brightened the center of each table in the candle light. The dance floor was lit by the white lights of the ornament adorned Christmas tree and sprigs of holly peeked out of every corner. The decor of this historical house only added to the elegant atmosphere of the evening.

There was a scrumptious buffet catered by Gourmet Caterers, Mr. and Mrs. Goodwin, Mrs. Piantadosi, Mr. Grinnell, Mr. Walker, and various students of the National Honor Society. While Mrs. Goodwin dished out the popular lasagna, Mr. Goodwin, in his chef's hat, carved the turkey at the head of the table. The spread of food was a feast devoured by the guests.

The remainder of the night was spent dancing away. Girls twisted in their evening dresses, while boys boogied down in their suits. Everyone danced, slow or fast, date or stag. The disc jockey's music was the perfect blend of old and new. He kept the beat going all night long.

This wonderful evening would not have been possible without the organization and planning of Mr. Cox, Mr. and Mrs. Goodwin, and the National Honor Society. Their hard work and planning brought the senior class together in a evening of festive fun and frolic. The 1990 Senior Social was a great success. It should go on to become a Waltham High School tradition.

Student Santa

Our seventh annual Student Santa Program, sponsored by the National Honor Society and the Student Council, provided gifts for over three hundred needy children of Waltham. Due to the decline in the student population, only sixty-six homerooms participated in this event. The program depended on many clubs and individual "Santas" to sponsor the growing number of children. This year past records were broken when over $16,000 in Christmas presents were raised.

Under the direction of Mr. Cox and Mr. Goodwin, the project was a complete success! Mayor William F. Stanley and school officials attended the assembly which displayed the hundreds of toys provided by the elves of Waltham High School. Mayor Stanley acknowledged the charitable contributions of the students of both Waltham High and Waltham Vocational High School. He expressed his pride in the exemplary spirit of giving shown by the students. During this Christmas assembly, students were entertained by the chorus and the band, but let's not forget the dry humor of Senior Housemaster, Norman MacDonald, conducting the annual Christmas carolling.

The brightly wrapped presents were later distributed to the churches and organizations which conducted the program. From here, parents picked up "Santa's" gifts for their children.

Thanks to the concern and generosity of Waltham's Students, children who otherwise would not have had an enjoyable holiday, were able to have a very Merry Christmas.

Youths Opposed to Using . . .

One of the most exciting developments of our Senior year at WHS was the beginning of the Youth Opposed to Using organization. Started by Police Chief Stephen Unsworth and Mayor William F. Stanley late in our Junior year, this group soon became the largest after school club in the history of Waltham High School! Its 530 members had a fun filled year of social events and received solid discounts at a large number of Waltham stores.

The officers of the group were President John Bonadio, Vice President Steve DeProfio, Treasurer Nathan Blackwelder and Secretary Leah Tortola. Our Executive Board, (and founding members), were Leo Cotto, Paul Cacciatore, Jean Goodwin and Maura Darcy. Together they organized many of the events that we enjoyed so much: the unforgettable Mt. Cranmore Ski Trip, the super YOU Dance at Bentley College, the First Annual Road Race, YOU Night at the Chateau and the End of the Year Bash at the YMCA. All of us in the Class of 1991 hope that this group will continue its success in the years to come.

Those who came to see the 1991 Senior Revue took a cinemadventure. They took a trip "Back in Time" through the years of movie making. The MC's for the production were Kathy Bryant, Jason Cormier, Joseph Cucchi, Stacy Kelley, Tim O'Toole and Jodi Walker. These emcee's made us laugh in between the musical numbers with their interpretations of movie stars and commercials. I don't think that any senior will ever forget how good prune juice really tastes, thanks to Joe, Jason, and Tim. This was our time to shine and bring our own talents. Whether it was singing, dancing or acting, everybody had their own spotlight. We reenacted movies such as "Dirty Dancing", "Singing in the Rain", "Top Gun", "Pretty Woman" and "The Wizard of Oz".

During the months rehearsal for Senior Revue, we all got a chance to get to know each other and become closer friends. Even if you had never talked to a person before, you became friends with them before curtain call. Even though we fooled around a lot during rehearsal and two days before the show, nothing seemed to be ready, we all came together for the three successful shows. We would never have done it without the help of Mr. Eagle, Mrs. Peros-Finnell, Mr. May and Mark Proia. The finale was dedicated to our servicemen and women over in the Persian Gulf. Eyes watered when "God Bless America" was sung by the whole cast and the American flag was held high for all to see. This show brought the seniors together like nothing else could and we will never forget our time in the spotlight.

One of the highlights of the school year was the teacher appreciation dinner where students were given the chance to give thanks to their favorite teachers. Students in the National Honor Society and Student Council prepared a complete dinner for the teaching staff and served as waitpersons as the teachers enjoyed their meals.

The evening was capped off by the student-faculty dance contest hosted by Mr. Hallion and Andrea "Vanna White" Geraci. Students and teachers were randomly paired and competed against other couples and the action that followed was no less than outrageous. But beyond the light-hearted fun of the dance contest there was an underlying feeling of deep graditude which flowed from students to teachers.

At the close of each school year, Waltham High School celebrates its students' acedemic excellence at the National Honor Society Induction Ceremony.

The ceremony featured speeches by last years president Carla Salvucci, current president Jodi Walker, and dedicated director of the group, Mr. John Cox. After the introduction of the various guests in attendance and the remaining officers, Donald Rininger, James Spoto and Lisa Mazzola, the induction began. Along with the newly inducted seniors were a large group of juniors who were given early admittance to the society after meeting rigorous entrance requirements. All in attendance admired the beauty of the candle-lighting ceremony and the reciting of the pledge as the new inductees prepared themselves to carry the torch of the society.

For the past four years the National Honor Society and Student Council have been holding a banquet to celebrate their accomplishments over the past year.

The dinner was attended by the members of the Waltham High School chapter of the National Honor Society and the Student Council, as well as a few honored guests. These guests included William Stanley, Mayor of Waltham, John Graceffa, Principal of the High School, Margaret Nolan, head of the guidance department, Claire Nolan, head of the physical education department, Suzanne Sliney and Micheal Gill, past Presidents of the Student Council, and Carla Salvucci, past President of the National Honor Society. Honored as "Man of the Year" by the two groups was Robert Hardiman. He was chosen for his long history of service to the Waltham community, which included donating the services of his taxi company for school events and for students in need of a ride home, but unable to afford a taxi.

This recently initiated tradition was enjoyed by all who attended. Hopefully the event will enjoy continued success in future years.

Our Year as the 1990-1991 Student Council and Student Advisory Council began on August 19th 1990 when we all met at the Hardiman's summer house on Cape Cod. Here we got to know each other and planned for the coming year. Our first activity was cleaning and painting the Student Council room, and ended that day with a paint fight. As the School Year started we had a candy sale. Then the "kick off" rally: A rally that cannot be forgotten. Eggs and whip cream were poured over gullible and blindfolded sports captains as they searched for a basketball. The unforgettable part had to be when the gullible sports Captains turned on the leader of the rally Jen Connors. (Jen did your white outfit ever come clean??????) The Kickoff dance was also held on the following day under the sponsorship of the Student Council and the National Honor Society.

On October 6th the annual Mayor's Picnic on the common was a success. On this occasion we dressed up as clowns and fortunetellers; sold goodies and helped run this renowned event.

I think the most memorable activity that we organized for the school that year was Homecoming week. It began on Sunday November 4th with the scavenger hunt followed by dress-up week. The homecoming rally was on Friday the 9th. At the rally Kings and Queens were announced as well as a best legs contest. The homecoming parade was on the following day as a prelude to the the football game against Acton-Boxbourgh. That night the Homecoming dance and it's accompanying lip-sync contest were an overwhelming sucess.

The Fall Blood drive took place. We raised money for the make-a-wish foundation and organized the annual Student Santa program at Christmas time. Following this was the winter rally with Julie Souza and Phil Ranucci in a three point contest.

This year had something new with a Valentine's dance with Valentine couples from each grade to replace the Carnation Drive.

We made an attempt, to win the Gong Show. On March 13th through the 15th we attended the Massachusetts Association of Student Councils convention on Cape Cod. We were the "black sheep" of the convention. On Thursday morning of that week Amy and Jen catered a coco-puff and Chocolate Milk breakfast for Mr. Goodwin. Revenge is sweet. The following morning at 5 A.M. Jen and not Amy but Allison were awakened by an ice cold bucket of water. You got the wrong twin Goodie! We sat at the neverending head table at the Senior Dinner and recalled our dinner at the Student Council Banquet.

The banquet was followed by a private "gag gift" ceremony at the Goodwin's house. (Hey Jodi how did your test turn out?) This was the end of our year in office as the 1990-1991 Student Council and Student Advisory Council. The next years elections were made final and graduation came and went.

Now there are no Presidents; no Secretaries; and no Treasurers, but this year can never be forgotten, thanks to Goodie. (Did the Goodwin/Goodwill clothes ever leave his doorstep?)

Co-Editor in Chief Betsy Marangoly, Advisor Mr. Joseph Salvo and Co-Editor in Chief Michele O'Connor.

The Waltham High School yearbook was printed by Jostens Printing and Publishing Division, 401 Science Park Road, State College, Pennsylvania 16801. The Jostens in-plant consultant was Karen Stariha. The Jostens area representative was John Neister. The advisor was Joseph Salvo.

The cover was a craftline embossed printed on Nighthawk material #499 with Cordova grain, black ink and silver foil applied. The artwork was done by Rick Brooks. The endsheets were parchmatte material #303.

The 356 pages used 80# Gloss paper with black ink applied for the entire book. Approximately 56 pages were printed with the four process colors.

The official school photographer was Purdy-Vantine Studios represented by Terry Bleiler.

The dominant type style used throughout the book was Century Schoolbook style #15.. Body copy was set in 10 point with captions in 8 point. Headlines ranged from 14 to 60 point.

A press run of 325 yearbooks was delivered in October of 1991.

The *1991 yearbook staff* consisted of sixty five senior volunteers that all pitched in to put together their yearbook. Any seniors that showed an interest in working on the yearbook were allowed to do so. They chose the area that they were most comfortable with and helped out when called upon. Even though many individuals helped throughout the year, two seniors were there from beginning to end. Co-Editors in Chief Michele O'Connor and Betsy Marangoly started in the summer of 1990 and continued to nearly the end of July of 1991. They worked day and night to meet each deadline and make sure everything was completed to perfection.

The yearbook staff decided to keep everything it had included in the 1990 yearbook and also add a few more topics of interest to this years yearbook. We continued to use the resources available at Waltham High School by having our Senior Artists include drawings throughout the book. We also continued with a section on The Arts for the second year in a row. We added a page on the newly formed Academic Decathalon and a page on the newly formed Y.O.U.. We decided to include a page on the Gong Show and two pages on Senior Awards Night. We feel that every group and every event has been covered somewhere in the yearbook.

Mr. Salvo is extremely grateful to all the seniors for the countless number of hours they put in to produce such an outstanding book.

We wish the class of 1991 the best of luck and we hope you are thankful to your classmates for all the time and work it took to produce the:

1991 YEARBOOK

Gong Show

The Gong Show 1991. The acts ranged from serious acts to the dumbest act you can think of. Our MC's for the evenings performances were Leo Cotto and Mr. Hallion, who was assisted by the one and only Vanna White or Andrea Geraci as she is sometimes called. The judges or "mad gongers" consisted of Mr. Grant, Jen Connors, Miss Russ, Jodi Walker, and Mr. Piantedosi. The serious acts separated by the not so serious acts. The winner or I should say winners of the gong show tied: Kristen O'Malley and the Thundercanes. They both impressed the judges, the MC's and the audience with their musical talent. Other serious acts that stood out were Merideth McElroy, Debbie's Darlins, Betsy Marangoly, and the rap acts. In the comedy acts the previous years champions "the flying Wolindas" returned to daze and stun the audience with their death defying acrobatic acts. The National Honor Society gave it a shot with their rendition of Bart Simpsons "Bart Man." The Student Council also tried to impress the audience with their version of MICKEY MOUSE. New acts appeared on stage like G.L.O.W. (Gorgeous Ladies of Wrestling.) Who can forget the wannabee's and their impression of cheerleaders.

The performers and the audience enjoyed this gong show and we look forward to its return next year.

Junior Prom

"Why Can't This Night Go on Forever"

This year's Junior Prom was held on May 3rd: the first time out of Waltham, at the Newton Marriott. The beauty and enjoyment of the night was shared by all. The decorations and atmosphere simply enchanced the evening. The boys looked suave in their tuxedos, and the girls looked radiant, especially our prom queen, Stacey LeLievre, and her court, Amy Basile and Melissa Hagenaars. The night turned out to be a great success hopefully to follow through to the next year.

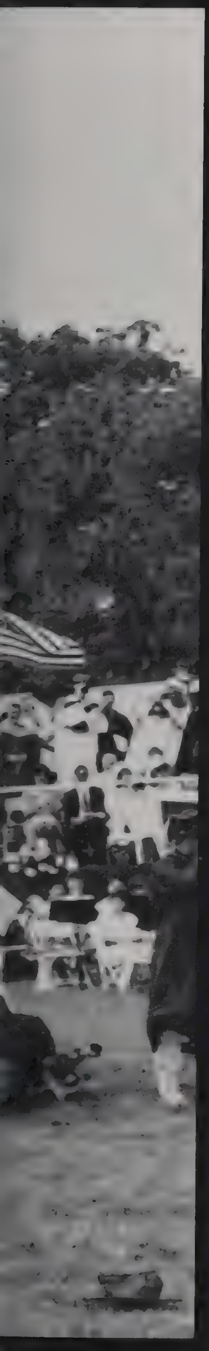
Senior Week



LIKE SHIPS

Like ships in a harbor
We raise anchor
And sail away from all we are familiar with.
We leave the safety of the shore,
And sail toward uncharted waters,
But there is always direction,
And we will never go unguided.
Our memories,
Like a friendly wind
Or a shining star,
Will keep us on course,
Always forward,
Toward our dreams.
Even when the skies darken
And the waters get rough,
Our ambitions and desires
Will lead us onward,
We control our own destinies,
And nothing is unattainable.
The tide carries us out,
And our days at Waltham High
Will soon be a speck on the horizon.
Much like the ocean's currents, time rolls on
But these days will be etched in our hearts forever
And when we find the island of our dreams,
We can glory in our success,
And think back to what got us there.

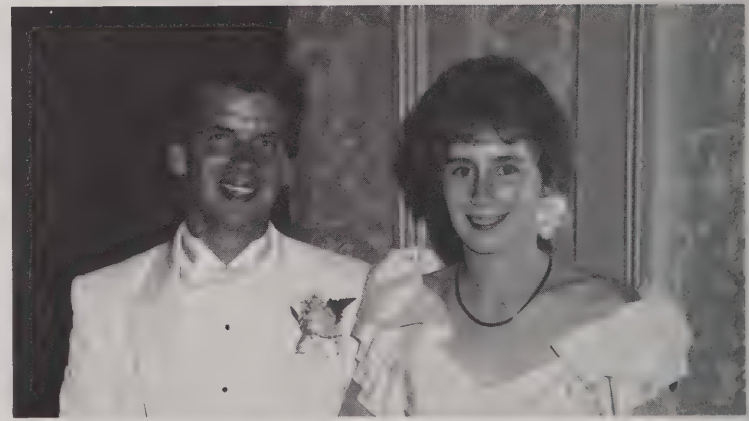
PROM
Vincent's NIGHTCLUB



May 28, 1991 was a day long awaited by all. This was a day that would never be forgotten by the Class of 1991; it was the Senior Prom. It was a beautifully sunny and hot spring day as students made their last minute trips to the hair salons, tuxedo shops and florists. The prom was held at Lombardo's in Randolph and it was the perfect setting for the glamorous and exciting night to come.

As the couples entered the exquisitely decorated ballroom, they glowed with excitement in their elegant gowns and handsome tuxedos.

The theme "Wonderful Tonight" by Eric Clapton was the perfect description of the evening.

Unlike previous years, this year we had two prom queens, co-queens. They were Tracy Rodley and Jennifer Ohnemus. Their members of their court were Tracey Wellman and Andrea Geraci.

As the night came to an end, and the couples slowly left, we can safely say it will always be remembered, for everything was indeed "Wonderful Tonight".

This year's Senior Dinner was one of rewards and recognition for the students hard work throughout the year, as well as a time for seniors to reflect on happy memories. The cafe was beautifully decorated into a dining hall for the evening and food was catered for the special occasion. Family and friends all attended and focused their attention on the head table which consisted of the High School and Vocational class officers, the National Honor Society officers, the Student Council /Advisory Council officers, and the Yearbook Editors.

A warm welcome was given by the class president Leo Cotto followed by the presentation of the Class Song and the Prom Theme "Wonderful Tonight" sung beautifully by Kristen O'Mally. After Sal Leonelli, The Vocational Class Treasurer gave the blessing, everyone sat down for dinner. Many laughs were shared when Joe Cucchi, Vice-President of the class and Betsy Marangoly, Co-Editor of the yearbook got the banquet underway as they read this years "Class Will", left to teachers and students at the High School. Our own "Music Unlimited Show Choir" performed their winning package from their showcase in Disneyworld, Florida and were a big hit as usual. The superlatives of 1991 were awarded by Michele O'Connor, Co-Editor of the Yearbook and Student Coucil Treasurer Jill Wesley, another Co-Editor of the Yearbook. Mr. Prohovich then gave his Athletic Awards to an outstanding male and female athlete that stood above the rest. They were Jeff Ryan, captain of the football and baseball teams, and Julie Souza, captain of the soccer, basketball, and tennis teams. Other awards given were the English book awards to several top students as well as Certificates of Merit to those students involved in certain activities or clubs at the High School.

Jen Connors, Student Council President, gave the closing remarks and spoke of memories of the past as well as hope for the future to end the night on a happy note.

The distinguished young men and women that we honor tonight have experienced a bewildering array of emotions in the past year. Our Country, our state and our city have all taken turns in providing stories of high drama and dire gloom.

What should be our mood then tonight? Well- I've been in doubt—that is until I remembered this evening and what it represents. Tonight represents a joyous celebration of Waltham's various generations Past, Present, and Future. It is also a union of businesses, civil organizations and individuals, who have put there money where it counts most—investments with our most promising young citizen.

If the leaders of our city government and our school system wonder why they labor in such a difficult and often frustratius job-simply behold the Class of 91'.

If the Parents present questions why they labored so long and hard and endured 12 years of not knowing what color their refrigerator was because of all the papers . . . Simply behold the Class of '91.

Teachers despair not, your work and careful diligence is rewarded-for tonight we celebrate the triumph of Public Education. The colleges and Programs that await our seniors tonight are among the best our nation offers.

Lastly a final message to all the seniors, What should I do? You might say Mark Twain had the best answer. He said "Always do right. This will satisfy some people and astonish the rest".

THE BOOK OF KNOWLEDGE VOL. XIV

The Class of 1991 was an exemplary group of students that was extremely creative, hardworking and committed to service. They brought to the High School many innovations that will be a lasting tribute to their dedication. I am especially proud to have been associated with this class and thank them for allowing me to be a part of the Class of 91.

Advertising

Every year much of the cost of producing the Waltham High yearbook is defrayed by the advertising purchased by local business. Their support of the yearbook is invaluable. In fact advertisements are responsible for most of the color in the book. Sadly, however, as a result of a slow economy many local companies were not able to show as much support for the yearbook as they would have liked. Unfortunately some of the companies which have shown strong support for our efforts in past years have even been forced out of busines by the recession. Hopefully the country's economy will soon revive and allow greater financial support for future Waltham yearbooks.

THE KIRSCH OFFICE

DEDICATED TO THE CLASS OF 1991

Your Class of 1991
Soon will be leaving Waltham High
And fondly, and somewhat sadly,
You'll bid high school days, goodbye.

You'll take with you many memories
Of the happy years you shared,
With friends, and students, and teachers
While for the future, you prepared.

That some future now awaits you
As graduation nears;
You'll proudly accept the challenge
But you'll have your doubts and fears.

Take courage, you who graduate
You have so much to give;
You'll be the ones, who'll find the road
To a better way we live.

Your path may be to college
Or to busy industry;
Whatever you have chosen,
Do it faithfully.

Farewell, Class of 1991
Our hopes all go with you;
We all take pride and wish you well,
In everything you do.

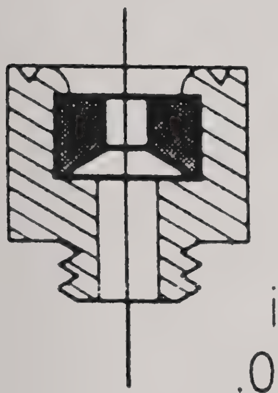
HYDRAULIC/PNEUMATIC NOZZLES



Bird Precision offers an orifice plug that will end your drilling days forever. Need a highly repeatable flow reading? Our restrictive orifice plugs start at .002" I.D. and are concentric to within .0002", no burrs or irregularities to upset flow. They're wear resistant and custom manufactured to your specifications including internal filtration. These orifice plugs come mounted in a variety of standard threaded fittings, including NPT, or custom fabricated plugs.

To find out more please contact Paul Baillio at 617-894-0160 extension 80 or fax your specifications to 617-894-6308.

1991 Class Will

I, Jeff Ryan leave how much I have to pay to go to college and all my newspaper write-ups.

I, Tim O'Toole leaves “Otis”.

I, Joe Cucchi leave my dog “Shadow” so everyone can love him.

I, John Bonadio leave all my freshman loves.

I, Chrissy Forbes leaves the same prom date for four years.

I, Diana Cincotta leaves my list on how to keep Tony off my mind.

I, Kerry Blakley leaves Loofa behind.

I, Mike Puglielli leave my Rocky Gloves to all my adoring fans.

I, Brian Bolio leaves Mike Tyson to guard Jen.

I, Jeff Fergus leave my “zig zag”.

I, Liz Hazel leave the 1 ski that I skied the K12 on.

I, Michele O'Connor leaves a can of “Diet Coke” and how to total a car in a parking lot.

I, Nathan Blackwelder leave my long head banger hair to “New York-New York.

I, Jen Connors leaves my Earthy crunchy clothes, my peace paraphranelia and my lunches with the guys.

I, Amy Hardiman leaves time and late night I.

I, Allison Hardiman leave my prom dates.

I, Jason Cormier leave my prune juice.

I, Mike Gianotti leave my karate punches.

I, Carl Attardo leave all my fake dismissal slips.

I, Troy Brennan leave my advice on how “not” to get into trouble.

I, John Bourque leave my velcro connected to Biddy.

I, Kevin Biddy leave my velcro connected to Bourque.

I, Sarah Hart leave my “Hart” to the boys basketball teams.

I, Dena Ventura leaves white ice cream with black dots and a brand new “big” yellow bus.

I, Debbie Tortola leaves my dreadlocks.

I, Jodi Walker leave my advice on how to relax.

I, Stacey Delaney leave an extra knee brace for any injured players.

Mr. Brennan We leave the quiet classroom he always wanted.

Mr. MacDonald We leave you a little color for your wardrobe, a more appealing diet food, a membership to the tacky tie club and a big thank you for all your hard work and dedication.

1991 Class Prophecy

Remembering The Past

The wind stopped spinning as the house hit the ground, Dorothy stepped out and started her journey in search of the Wizard of Waltham.

The first person she met was Dena Ventura. Dena told Dorothy she was in search of a clue and Dorothy invited her along on the journey but Dena declined. Dena and her friend Sarah Hart had been looking for so long that they did not want to give up their search now.

As Dorothy walked down Main Street she passed the DiGiovine and Leboff Law Firm where Diane and Eric were preparing their case of tax evasion and embezzlement against Jim Spoto. Their secretary Sara Kay waved to Dorothy as she passed by. Dorothy then turned to ask Officer Steve Centofanti for directions but could not be heard over the loud music coming from Musto's Music Shop. The radio station playing was the famous WDOR with the rock queen DJ Jamie Doherty. Dorothy poked her head into the shop to see Giulio Manfredonia, Paul Quaranto, Nathan Blackwelder, and Jeff Royds begging for Amanda to sell their tape but she refused saying her shop was strictly Van Hanlen.

Dorothy walked further up the street and saw a crowd gathering. At the front of the crowd is Ann Marie Marcolina and Cynthia Fontano pointing in the well known Kristen Russo's Salon at famous actresses Gena Loubeau and Meredith McElroy. They told Dorothy that the former Miss America Diana Cincotta also gets her hair done there.

Suddenly Dorothy felt a wheel roll over her foot. She looked down and saw a baby carriage with three children in it. It was being pushed by a flustered man named Kevin DeVoe. Dorothy looked at him and asked "Where is your Wife?" Kevin replied "Which one?" and continued on his way.

As Dorothy reached the Waltham Common she saw it was Physical Fitness Week. Entertaining the crowd were dancers Kathy Dunne, Andrea Geraci, Stacey Kelley, and Kristen O'Malley. Also present were U.S. Olympic team skier Liz Hazel, first female NBA star Julie Souza and Boston Bruin Juli Quirk. Waiting for their autographs were Tracy Rodley, Greg Mandile and Dawn Valchuis. They were all disappointed when Julie Souza tripped off the stage and had to be rushed to the hospital by nurse Brenda Luce. Julie's leg was worked on by Bonnie Dirr and she had to go through six months of physical therapy with Tracy D'Eon. Julie's team missed the playoffs.

After the ambulance sped off show choir performed. Leading the group were Sally Nickerson, Cathy Tirone, and Donna Morris with guest stars Donna Cravelli, Mary Cunningham, and Tyler Smith showing off some of their old moves. As Dorothy turned to leave she saw a tall smiling man. She asked the man cutting the common lawn, Mike Puglielli, what he was smiling about. Mike answered "Oh don't you Know that's Jeff Drew the smiling doctor." Dorothy ran thinking these people are strange and she better find the Wizard of Waltham quick. Dorothy ran into a building where a meeting was going on at English and Associates. Rachel who owns the corporation was arguing with Jessica Demoy while workers Tim Mahoney, Linda Canning, and Julie Ravesi listened intently. Bored with the fight Lisa Mazzola left for lunch with their chipper accountant Lisa LeBlanc.

Dorothy walked outside to see Mike Richards walking his dog. All of a sudden Steve McGovern comes screeching around the corner hitting the dog. Heather Ray jumped out of the car and called the excellent veterinarian Stacy Lazaro. Despite her efforts the dog died. Lucky for Mike, Bryan Jutstrom saw it all and took the dog home and stuffed it with his collection of buttons so Mike could keep his dog forever.

As she progressed down Main Street she saw Paul LeBlanc outside Mama Josie's harassing the married women Gloria Santiago, Jessica Straggas, Michelle Reagan, Debbie Tortola, and Kelly St. Onge.

Dorothy now making her way down Bacon Street saw the class of 2011 graduation ceremony. There she saw Michelle Patterson playing hooky from her job at Grossman's to talk to her old classmates now teaching at WHS, Tiffany Moon, Cynthia Bryden, Wendy Holmes, Michelle Melanson, and Lyn Hanlon. Guest speakers at the ceremony were the star of Saturday Night Live Eric Bergeron and Fly Girl from In Living Color Stephanie Meadows. Stephanie was wearing Suzie Pancaldo's famous collection of clothes.

Dorothy left the ceremony feeling that she'd never find the Wizard of Waltham. She then stopped and asked Jason Cormier and Joe Hart for directions but they said they couldn't help her. They were to busy getting Amy Sennett and Arcangelo Mariano retirement plans with their travel agent Cindy Leger.

Dorothy started getting tired so she wanted to find a ride. Tara Harrington and Julie Hartenstein were walking by but could not help her because they still did not have their license. On her way to her bowling league Laura Guillette picked Dorothy up and drove her as far as the Wal-lex. So Dorothy walks on from there to see Brian Maillet working at the Wal-lex Exxon. Debating whether to ask for help she was startled by men working out at Ryan Brophy and Corrado Pecci's Gym. She ran quickly and didn't stop until she reached Papa Gino's. When she got inside she saw Ken Freda making pizza. Feeling desperate she asked him where to find the Wizard of Waltham. Behind her was Don Rininger, a retired military serviceman. He overheard her and offered to drive her to her destiny. He then drove her to WHS where she got out and was greeted by Christine Sumner. She asked Christine "Can you tell me where I can find the Wizard of Waltham?' Christine Replied "The Wizard of Waltham is Norman MacDonald." Suddenly Dorothy woke up and realized it was all just a dream.
